

MY BEST FRIEND BRAG!

"There's not a word yet for old friends who've just met."
-Jim Henson

As a way to celebrate National "Best Friends" Day, fill out the pages in this booklet as you brag about one of your best friends. Don't forget to show this to that friend (if you feel comfortable to) - as a way of showing how much you appreciate them!

What's the name of one of your best friends?

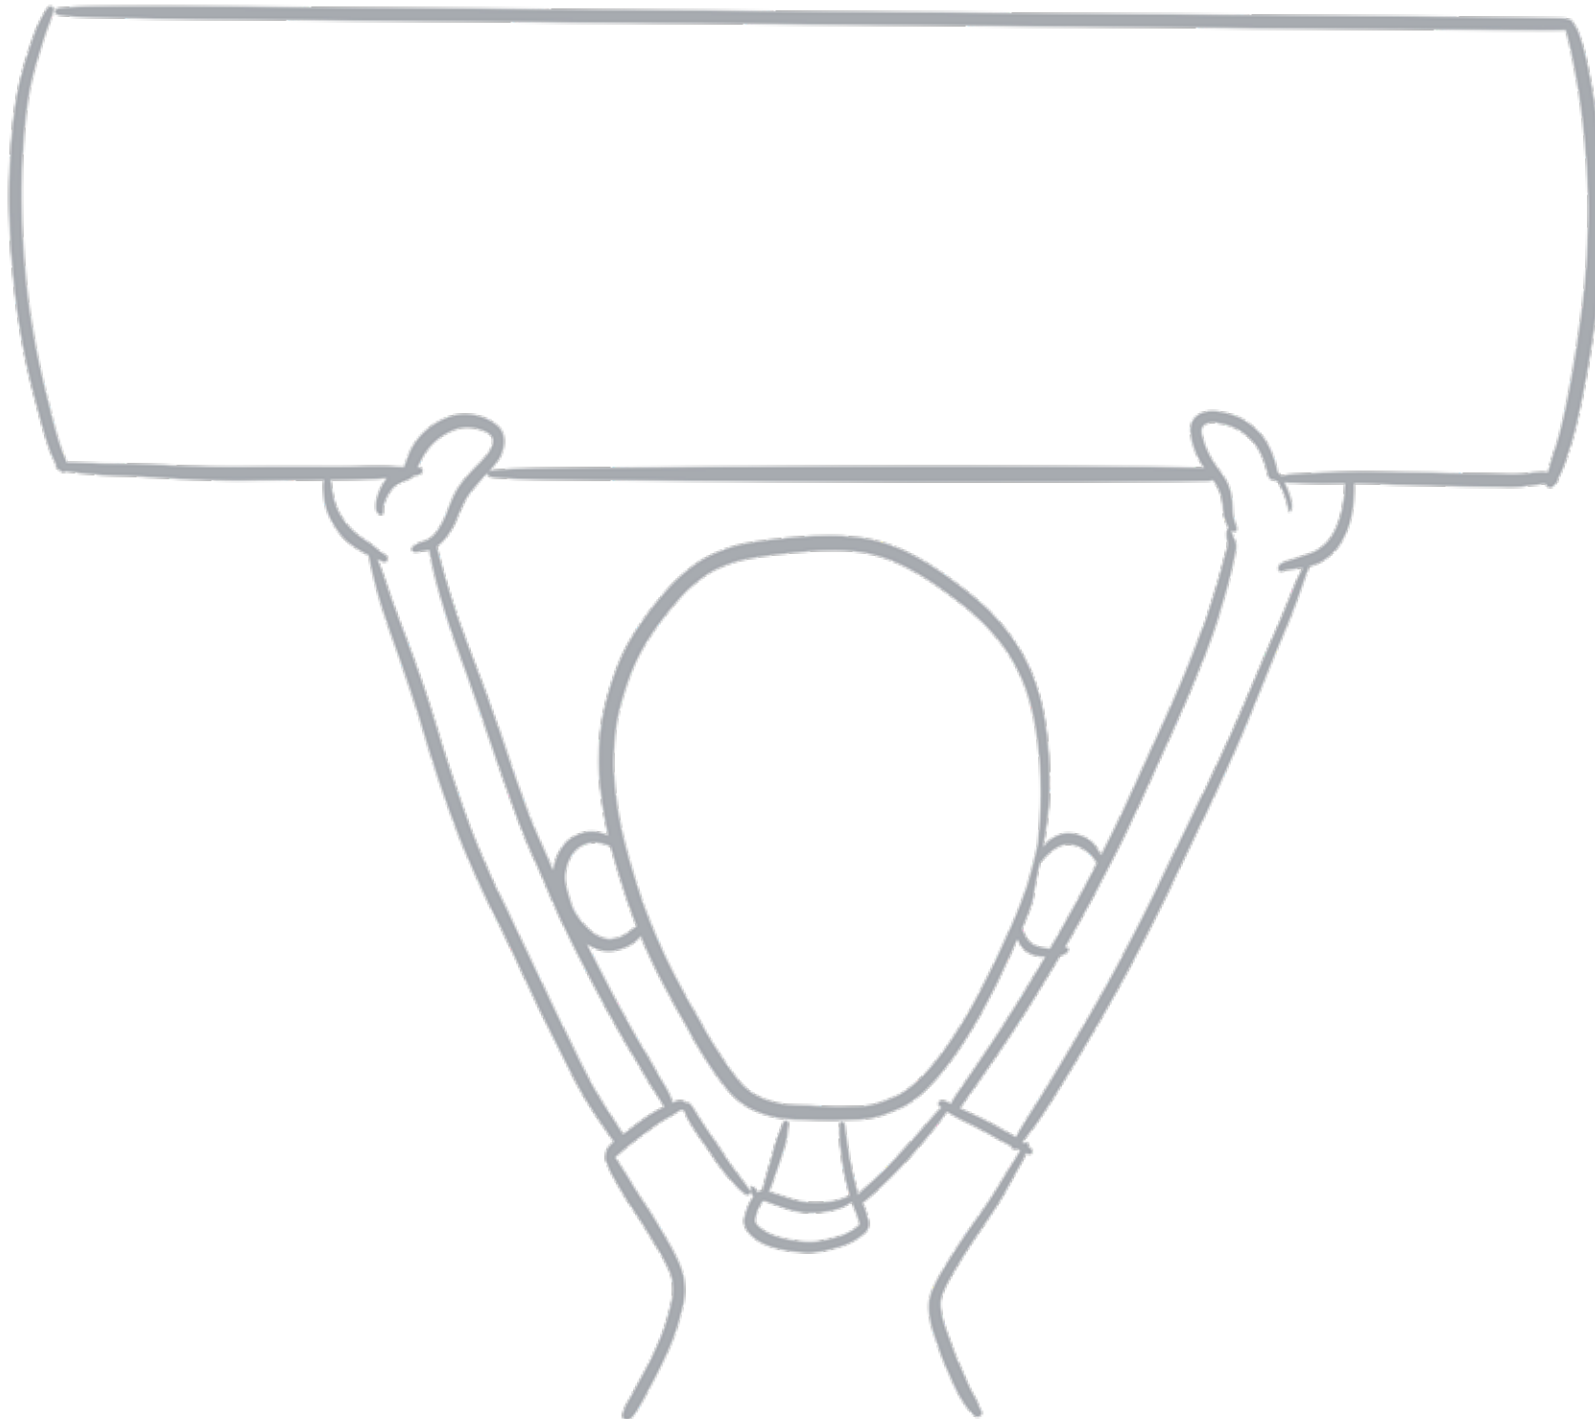

How did the two of you meet?

What are some of your favourite qualities about your best friend?

Tell us about a time when your best friend really helped you, cheered you up, or was there for you.

A MESSAGE TO MY BFF:

MY MAKE-BELEIVE BESTIE!

If you could be besties with a cartoon character, who would you like to hang with? Draw the two of you below!
