

MY ULTIMATE ROLLERCOASTER!

Now's your chance to create the world's coolest, fastest, wildest, strangest, scariest and/or "spaciest" rollercoaster!

Tell us about your coaster on this page, and use the next pages to illustrate the design.

Also, if you want a little inspiration, copy & paste the following link in your browser to virtually "ride" all the rollercoasters at Canada's Wonderland!

LINK: <https://bit.ly/2yGDyYc>

The name of my rollercoaster is:

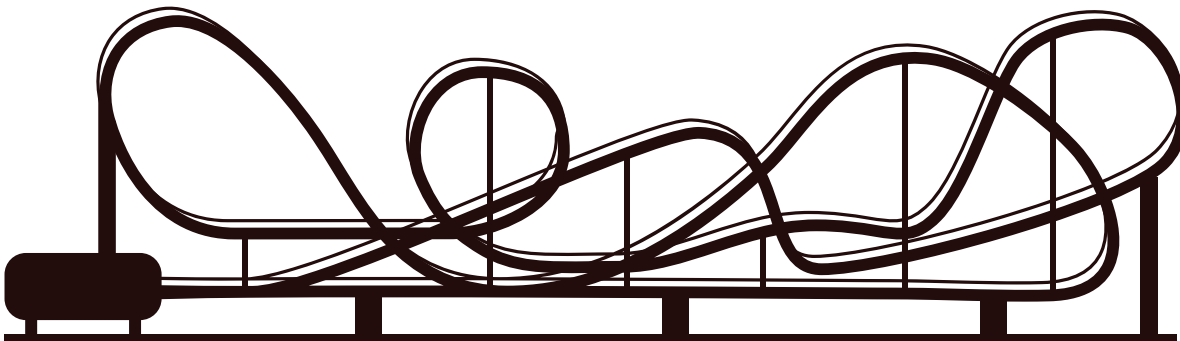

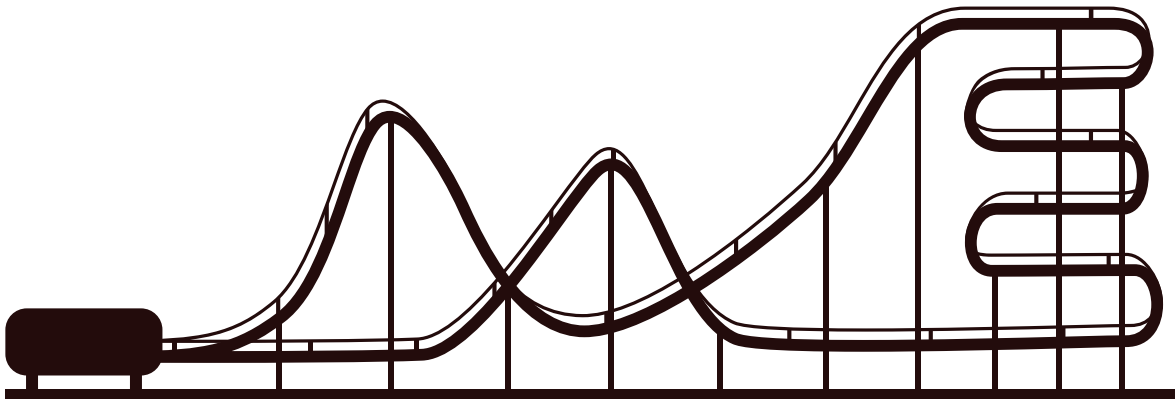

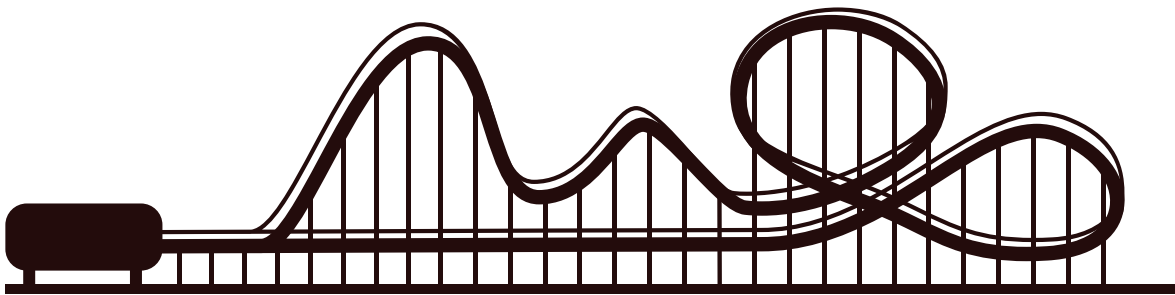

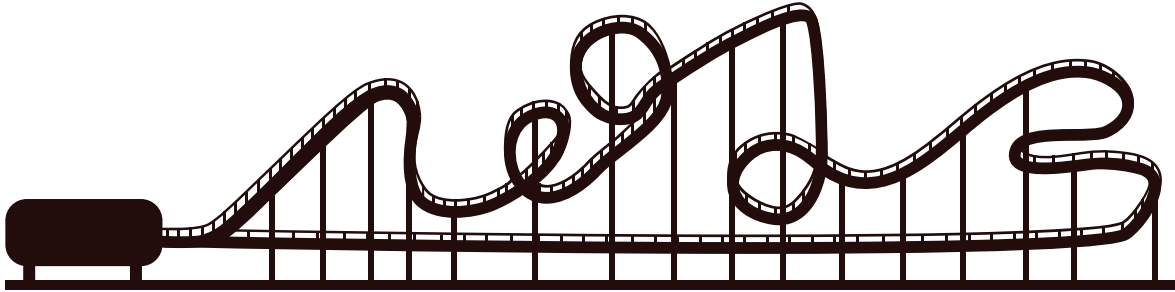

Its theme is (Space? Under the sea? Jungle? Based on a movie, or cartoon?):

What is this rollercoaster going to be famous for? What amazing features will it have that will excite the world? (I.e. highest drop ever? World's fastest or longest? It goes all the way into space?)

ROLLERCOASTER DESIGN EXAMPLES

The drawings below show how you can design your roller coaster without having to use a lot of detail!
